## **SEAFARERS NEED YOU MORE THAN EVER**

**You rely on seafarers but they need your help also!**

More than 90% of the world's goods and fuels are transported around the world, thanks to seafarers. Without them the world economy would grind to a halt. This would place businesses and millions of jobs around the world in jeopardy. Day and night for 365 days per year, the Mission is on call providing help for seafarers in over 200 ports around the world.
