The MISSION to SEAFARERS

Halifax

Halifax, Nova Scotia Canada

WELCOME to the Halifax Mission to Seafarers!

We are a Canadian non-profit charity located and operating in the Port of Halifax. As part of a worldwide network of Anglican-sponsored missions, our ministry provides help and support – moral, practical, spiritual, and social justice – to seafarers who face danger every day to keep the global economy afloat. For the 1.8 million seafarers across the world, life can be lonely, dangerous, and uncertain. Our staff and volunteers care passionately about the seafarers. Visit for a chat!

Ministry

The chapel is open for private meditation and prayer.

We offer an interdenominational chaplaincy. Our Chaplains conduct religious blessings and services aboard ships and in the Mission chapel.

Transport Service

With our shuttle van, we offer complimentary transportation to grocery stores, shopping centers, historic sites, and other destinations upon special request. We also pick up from and bring back the crew to the ship. (Please coordinate with us in advance by email, text or call for availability and schedule. At times, there are 3-5 ships in port we are serving.)
